They will deliver Monday, Wednesday and Friday, the same days that they are going to Richford.

I don't have the list of people that people that are coming in to present to Summer reading here at home. July's Wednesday were filled, but I think we still have a few dates in August open.

New Business

Tappan Spaulding Library (Newark Valley) is picking up their books in Berkshire. They have closed their library because of squirrels in the attic. Erin, the director from Newark Valley came in last Friday and I think she will be in Tuesday to work with Marcy to give our their books.

I'm working on the Family Literacy Grant for children's book. \$350.

Thank you all for letting me take the time off to get my knee fixed. I hope it will go along quickly. I'm sure that things will go along smoothly at the Library. Kim cleaned last week and Irene has stopped in to help and visit even though she isn't working.

My cell number is 607 761-0022 if you have questions.

Marcy should have letters at the front for the Tax Levy vote on May 19.
